

Madam/Dear Sir,

Govt. of India has made it mandatory for every person allotted with a PAN to link the same with Aadhaar no. The last date for linking PAN and Aadhaar has been fixed as 30.06.2023. If any PAN is not linked with Aadhaar by 30.06.2023, it will become inoperative. This will have number of implications including deduction of Income Tax at higher rate.

Employees/Pensioners are advised to link their PAN with Aadhaar immediately, failing which income tax will be deducted at higher rate in HRMS with effect from 01.07.2023. Please visit 'www.incometax.gov.in/iec/foportal' for the same.

Please ignore if your PAN is already linked to Aadhaar or you are exempted from PAN Aadhaar linkage as per Government guidelines.

Regards,
Team HRMS
